*Kobe University: Dr. Shinya Yamamoto

*Kyoto University: Dr. Naruki Morimura

NOTE: In the case of rain, the session will be held inside the Seminar House. The session will then start at 9:30AM. Details will be announced the day before.

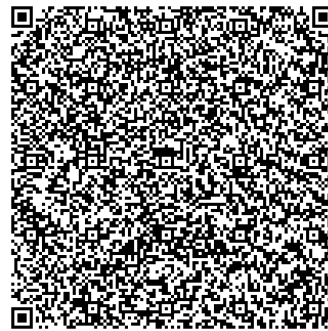

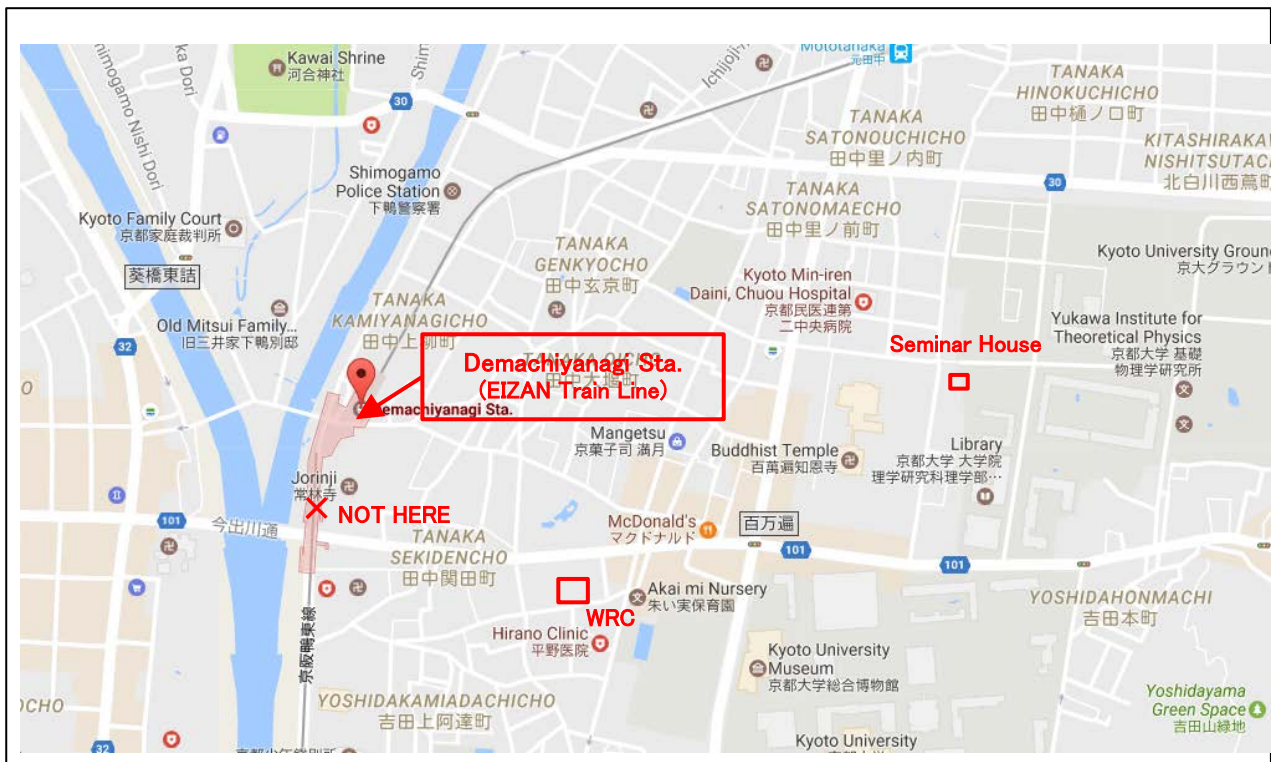

****Meeting location / Travelling details****

As we will be travelling as a group to the demonstration site, please adhere to the following instructions.

8:30AM / Meet at Demachiyana Station of the EIZAN Train Line (please see the map below)

- We will purchase round-trip train tickets of the total number of participants gathered at this meeting location, and everyone is to board on the same train headed to the site. **Therefore, it is very important that you arrive promptly at the meeting time and location. We will not wait for anyone.** The train fee in this case will be free. We will hand out a piece of paper with a number on it to each participant gathered, in order for us to do a head count.
- If you are late and will be joining later, the round-trip train fee (660yen) will be **at your own expense**. Please refer to the map below on directions to the site.
- We are all to board on the same train on our way back to the seminar house. **If you plan to travel separately, it will be at your own expense.**

(MAP 1 – Meeting Location : In front of the ENTRANCE of Demachiyanagi station (EIZAN Train Line)
