**Summary: CICASP Seminar 63
Practice Presentation**

This was the final seminar of this semester. Before conferences in the summer, the CICASP Team offers students the opportunity to practise their talk/poster and get valuable feedback. This time, Jie presented a talk that she will give at the Japan Society for Animal Psychology later this month in Tokyo.

Next Semester:

The CICASP Seminars will re-start in October. The CICASP Team will send out further details nearer the time via email.

Feedback

The CICASP Team welcomes feedback and suggestions for future seminars. Our seminars are aimed at improving your skills in communicating scientific ideas and research results in English. Give us your requests for topics you would like covered, particularly those you find most useful. The CICASP Seminars are for you and so we want to hear from you all.
